Chapter One
   Introduction
   Mario Liverani ..................................................... 1

## Part One: Context and Topography

Chapter Two
   The Barkat Oasis in the changing landscape of the Wadi Tanezzuft during the Holocene
   Mauro Cremaschi .................................................... 13

Chapter Three
   The Garamantes in the Ghat-Barkat Area: previous research
   Maria Carmela Gatto ................................................ 21

Chapter Four
   Cemeteries around the Barkat Oasis
   Roberto Castelli and Mario Liverani .......................... 25

Chapter Five
   The topography of the site
   Cristiano Putzolu .................................................. 29

Chapter Six
   Garamantian rock art in the Akakus
   Daniela Zampetti ................................................... 41

## Part Two: The Excavation

Chapter Seven
   The excavation of the residential unit AN1-2-3
   Mario Liverani ..................................................... 51

Chapter Eight
   The excavation of the residential unit AN20-21-22
   Maria Carmela Gatto ................................................ 73

Chapter Nine
   The excavation of the postern area AN26-27
   Lucia Mori .......................................................... 91

Chapter Ten
   The excavation of the working area AN4-24
   Lucia Mori .......................................................... 99

Chapter Eleven
   The excavation of the courtyard AN25
   Lucia Mori .......................................................... 113

Chapter Twelve
   The excavation of the residential unit AN9-13
   Mario Liverani ..................................................... 121
